Fayette, August 24th, 1844.

From Dr. Stanton, America, N. Y.
I hereby certify to the following facts respecting **SPOHN'S HEADACHE REMEDY**.
After a day of considerable fatigue, I was attacked suddenly with a distressing and difficult of seeing distinctly—the atmosphere appearing very smoky. I supposed, that probably some attack of an apoplectic character was at hand. I hurried home, the difficulties increasing, but as yet scarcely any pain. But my alarm was soon dissipated in a violent attack of sick headache—the first I ever experienced. In a few days another attack ensued, and I fear would have continued to return had I not providentially become acquainted with the above mentioned remedy. I used the medicine for a few months, whenever the attack commenced, and from that time to the present, four years, have not had a single attack. Since that I have recommended it to others in a very large number of cases, with relief in all cases, and in many with complete success.
S. N. STANTON, M. D.
MRS. COSTENBADER has been from infancy most painfully afflicted with headache, so much so, that at times her eyes became fixed and colored. She had the headache at all times, but sometimes more dreadfully than at others. She has consulted many of the best physicians here and at Philadelphia, but without any permanent relief whatever, till she has now taken **DR. SPOHN'S HEADACHE REMEDY**, and become quite well. At this time, she can convince any one who will call on her at No. 47 Pitt-street.
JOHN COSTENBADER.

Let Truth be known to all the World.
A young man in the office of Messrs. Harnden & Co., No. 3 West Second Street, the arm by a spider about a week ago, and it caused the arm to swell almost double its size. It was very painful and sore, and kept growing more painful every minute, when the Magical Pain Extractor, from Comstock & Co., 21 Courtland-st., was applied, and in five minutes no pain was scarcely felt by it, and in less than 15 minutes most all the inflammation (which looked very red) was almost all gone down, and in 24 hours well, and any one who doubt this call at their office, for the positive fact can be proved to all who will call. It is also as good in inflammation, bruises, burns, scalds, and all outward complaints, and will save life and heal without a scar in every case of burn or scald, if the vital parts are unimpaired.
The above article is sold only by Comstock & Co., No. 69 Second st., St. Louis. It will also cure the following complaints, or no pay taken for it, viz:
Burns and Scalds, Salt Rheum, Rheumatism, Blisters Surface, Running Sores, Sore Legs, Pain in the Back, Fever Sores, Weak Limbs, Nervous Sores, Piles, Rough Face, Inflammations, Sprains, Eruptions, Cancers, Bruises, Sore Eyes, Hemorrhoids, White Swelling, &c.
For sale at the Drug and Book store of Dr. Wm. R. Snelson, Fayette. Also, at the Drug store of Dr. A. R. Ober, Glasgow.
March 1st, 1845.

Nerve and Bone Liniment, and Indian Vegetable Elixir.
A CURE FOR RHEUMATIC AFFECTIONS.
This article is most truly named, as it penetrates to every nerve and sinew of the person using it, and has attained a reputation unequalled by any other article in Rheumatism. This externally, with the **INDIAN VEGETABLE ELIXIR** internally, will cure the most severe cases—extend contracted muscles, and bring feeling and sensibility to limbs long paralyzed and useless. We only need refer to some cases below to obtain the confidence of the public for these articles.
The following are too respectable, and the gentlemen too well known to require comment. Let them read:
"I have been afflicted most grievously since 1832, with Rheumatism and contraction of the cords of my legs, caused by the cramps of the cholera, which I then had in its most severe form. After trying many remedies in vain, I have found relief—had the cords of my legs relaxed—the swellings reduced—and am greatly benefited by the use of one bottle of **HEWEN'S NERVE AND BONE LINIMENT**, used externally, and one bottle of **INDIAN VEGETABLE ELIXIR**, used internally at the same time. I can now walk with ease in positions that I could not a week ago endure at all."
